[Rare Book Pages from the book by C L Shrivastava Vijay Bansuri](#) A bansuri is a side blown flute originating from the Indian subcontinent. It is an aerophone produced from bamboo. It is one of the most common instruments in the North Indian or Hindustani classical music. A similar flute is called venu in the South Indian or Carnatic classical tradition. It is referred to as nadi and tunava in the Rigveda and other Vedic texts of Hinduism. [Bansuri AbeBooks](#) The bansuri is a transverse alto flute of India, Pakistan, Bangladesh, and Nepal, made of a lone stick of bamboo with six or seven open finger holes. An ancient musical instrument associated with cowherds and the pastoral tradition, it is intimately linked to the love story of Krishna and Radha, and is depicted in Buddhist paintings from around [Handbook of Bansuri by Pankaj Vishal](#), [X Handbook of Bansuri by Pankaj Vishal](#), The name of Bansuri is attached to the creator of this universe itself. It is so old and so lucky that the Lord found it worth keeping it over His lips. Even if one does not agree with the divinity of the Bansuri, one would hardly disagree about its soothing and satiating effect, which takes the listeners on the sojourn of the unseen. [Tips for Playing The Bansuri Flute](#) [Flute Training Centre](#) Keep the Bansuri in Proper Position and apply firm Pressure on the tips of fingers over the holes so that they keep the air in. Or the right hand fingers over the holes instead of the left.
